American Nations: A History of the Eleven Rival Regional Cultures of North America

by Colin Woodard

American Nations: A History of the Eleven Rival Regional Cultures of North America. In American Nations he takes readers on a journey through the history of our fractured nation, exploring the eleven rival cultural regions that make up North America. The book is a revolutionary and revelatory take on American history, and Colin Woodard, the author, is an American journalist and professor in the School of Journalism at Indiana University.

The Eleven Rival Regional Cultures of North America

The Eleven Rival Regional Cultures of North America is a historical refutation of the myth that North America was settled by what were, in effect, separate nations — and that these nations have been at odds with one another ever since. American Nations: A History of the Eleven Rival Regional Cultures of North America.

North America was settled by people with distinct religious, political, and ethnographic characteristics, creating regional cultures that have been at odds with one another ever since. American Nations: A History of the Eleven Rival Regional Cultures of North America.

The book provides an endlessly fascinating look at American regionalism and the eleven nations that continue to shape North America. Trending in the United States, the book is one of the most popular new releases in the field of American Studies.

The book is available in various formats, including hardcover, paperback, and eBook. It is also available on audiobook and as a digital download. The book is a must-read for anyone interested in American history, regionalism, and cultural studies.

The book received widespread acclaim from critics, who praised its innovative approach to American history. The book is also a great resource for teachers and students, offering a fresh perspective on American regionalism and its impact on modern-day politics.

In summary, American Nations: A History of the Eleven Rival Regional Cultures of North America is a must-read for anyone interested in American history, regionalism, and cultural studies. It is available in various formats, including hardcover, paperback, and eBook. The book received widespread acclaim from critics, who praised its innovative approach to American history.
