Latin Prose Composition: A.E. Hillard: Bristol Classical Press

The course is designed for students with a good command of Latin morphology and basic knowledge of Latin syntax. The participants will deepen their knowledge of Latin composition. The course focuses on learning Greek and Latin vocabulary. Prose composition is a valuable tool for learning Greek and Latin, as it reinforces our knowledge of grammar and stylistic awareness. Successful students will be able to read Latin prose literature with a high degree of understanding. This classic Latin composition book has been in use throughout the world for over 100 years. It features brief lesson overviews followed by exercises.
