Anna Mani is one of India s niece of Shyam Benegal, the director of Apahidma. As the daughter of a respected photographer, Anna has never been shy to call out injustice in India. Anna grew up in a nation divided by caste, religion, and politics, and she has spent her life fighting against those forces. Anna is a writer, filmmaker, and social activist who has used her platform to raise awareness about issues such as caste discrimination, gender inequality, and police brutality. Her work has been recognized globally, and she has been awarded several prestigious accolades for her contributions to society. Anna Mani is the author of the book, “Daughter: The Lives of an Indian Maid,” which explores the lives of women working in India’s domestic sector. Her book highlights the challenges faced by these women and the need for greater social justice. Anna’s work has inspired many, and she continues to use her voice to advocate for the rights of marginalized communities.
most famous woman physicist and meteorologist “Science and everyday life cannot and should not be separated”.
