The Silver Bough: Calendar of Scottish National Festivals - Candlemas to Harvest Home v. 2

by F. Marian McNeil

The Silver Bough is an indispensable treasury of Scottish culture, universally captured and brought to life by F Marian McNeill. The author succeeded in capturing and bringing to life many traditions and customs of Scottish folklore and folk-belief. McNeill's work includes a calendar of crime from 1588, featuring the Silver Branch or Silver Bough, a symbol found in Irish mythology and literature. The Silver Bough and its sequel, The Silver Bough Volume Two: A Calendar of Scottish National Festivals, Candlemas to Harvest Home, capture the essence of Scottish culture and history, making them essential reads for anyone interested in Scottish folklore and history. McNeill's work has been published by various publishers, including Aberdeen and North East Scotland Family History Society and Birlinn Ltd. The Silver Bough Volume Two is dedicated to the understanding of the law as a calendar of Scottish festivals, and is a must-read for anyone interested in Scottish culture and history.
